MUHAMMAD TAYYAB ZAMAN

Software Engineer with experience in mobile application development using Flutter

📞 +92 312-1516294   @ tayyabzaman129@gmail.com   🔗 www.linkedin.com/in/imtayyabzaman /

📍 Islamabad, Pakistan

SUMMARY

Software Engineer and Mobile App Developer, working on Flutter and Dart for building highly responsive apps. Eager to improve skills, and tackle challenging problems. Good communication and interpersonal skills. Enthusiastic about building creative mobile applications by focusing on delivering high-quality code, my biggest value-add nowadays is building a high-performance team with great cohesion. Looking for opportunities to grow and contribute to a progressive organization.

EXPERIENCE

Mobile Application Developer

DPL

📅 07/2023 - Present   📍 Islamabad, Pakistan

🔗 https://www.dplit.com/

- I commenced my tenure with DPL as a Mobile Application Developer Intern as part of their esteemed summer internship program.
- My role within the organization was instrumental in contributing to the successful execution of the DPL Ticket System, a pivotal project within the company..
- This invaluable experience not only allowed me to contribute significantly to the project but also afforded me the opportunity to assimilate and adopt new industry standards in software development.
- Technology used: Flutter,Dart,Rest API's,Git,TFS Azure,Figma

Social Media Manager

H-SQUARE SOFT |UK

📅 08/2021 - 10/2022   📍 London, UK

- Worked as a Social Media Manager at H-Square Soft (a UK-based company) for 16 months and grew their business with my expertise. I successfully managed to attract many clients for them.
- Created and maintained brand's social media channels and published content, including blogs and press releases
- Boosted social media engagement by nearly 60%
